

ARADHYA SAUMAY ANIL KUMAR

EXPERIENCE

- Campus Executive for Skill Vertex.
- Creative Lead Executive for Microsoft's student community, KIIT Chapter.

Worked as a member of the OC (organizing committee) for the following events:

- Flutterverse
- Frontend with benefits
- DataByte
- DevOps Workshop
- Project Wing '22
- I have also written a decent amount of articles as a freelance writer.

Projects:

- Built many minor projects using HTML, CSS, and JS.
- Actively learning ReactJS and building projects.
- Currently working on developing a stock dashboard website project, bubble pod application, and manpower management project.
- Created live and working applications on the android studio.

ABOUT ME

My name is Aradhya Saumay Anil kumar and I am currently studying in third year of my B-tech degree in Information Technology Branch. I aspire to be creative and innovative in whatever I do. I am always energetic and eager to learn new skills.
